

## CSW Industrials Completes Previously Announced Acquisition of TRUaire

December 15, 2020

DALLAS, Dec. 15, 2020 (GLOBE NEWSWIRE) -- CSW Industrials, Inc. (NASDAQ: CSWI) today announced it has completed the acquisition of TRUaire. This strategic acquisition expands CSWI's heating, ventilation, air conditioning, and refrigeration (HVAC/R) product offering, and incorporates TRUaire's market leading grille, register, and diffuser products.

The acquisition complements CSWI's existing HVAC/R solutions portfolio, including its condensate management platform, ductless accessories, and chemical offerings. By leveraging CSWI's go-to-market strategy, strong distribution channels, and deep experience in the HVAC/R market, this acquisition is expected to drive increased customer share of wallet, while providing an enhanced service offering. CSWI's existing investments in technology and e-commerce will drive efficiency in TRUaire's operations.

Consideration for this acquisition included \$284 million of cash and the issuance of approximately 850,000 shares of common stock to the sellers. CSWI funded the cash portion of the acquisition with cash on hand and borrowings under its recently-updated revolving credit facility. After giving effect to the transaction, CSWI maintains sufficient liquidity with approximately \$60 million of availability on its revolving credit facility.

Joseph B. Armes, CSW Industrials Chairman, President, and Chief Executive Officer, commented, "We are pleased to complete the TRUaire acquisition and to welcome approximately 1,600 new colleagues to CSW Industrials. TRUaire allows us to expand our existing HVAC/R platform with a compelling portfolio of best-in-class products, while leveraging our existing distribution channels to better serve our customers. This acquisition will enable us to continue to drive sustainable, profitable growth, while delivering value to all of CSWI's shareholders."
