Safe Harbor Statement

- This presentation contains forward-looking statements within the meaning of The Private Securities Litigation Reform Act of 1995 relating to, among other things, the business, financial condition and results of operations of CSW Industrials, Inc. ("CSWI"). Any statements preceded or followed by or that include the words "believe," "expect," "intend," "plan," "should" or words, phrases or similar expressions or the negative thereof, are intended to identify forward-looking statements. These statements are made on the basis of the current beliefs, expectations and assumptions of the management of CSWI. There are a number of risks and uncertainties that could cause CSWI's actual results to differ materially from the forward-looking statements included in this presentation.
- In light of these risks, uncertainties, assumptions, and other factors inherent in forward-looking statements, actual results may differ materially from those discussed in this presentation. Other unknown or unpredictable factors could also have a material adverse effect on CSWI's actual future results, performance, or achievements and include, without limitation, the factors described from time to time in our filings with the SEC, including the risk factors described in our Annual Report or Form 10-K. As a result of the foregoing, readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this presentation. CSWI does not assume any obligation to update these forward-looking statements to reflect any new information, subsequent events or circumstances, or otherwise, except as may be required by law.

Strategy & Execution Plan

- Identify and execute accretive, bolt-on acquisitions that will broaden our portfolio of industrial brands and products, and support our business segments
- Eliminate costs and overhead in strategic acquisitions and most non-manufacturing related costs in product line acquisitions
- Focus on commercially proven products and solutions that:
 - are attractive to customers in our target end markets
 - currently have limited distribution
 - would benefit from a broader distribution network
- Utilize strong free cash flow or third-party financing to fund these acquisitions

There are further attractive synergistic acquisitions available to achieve higher growth and profitability

(1) Includes earn out consideration

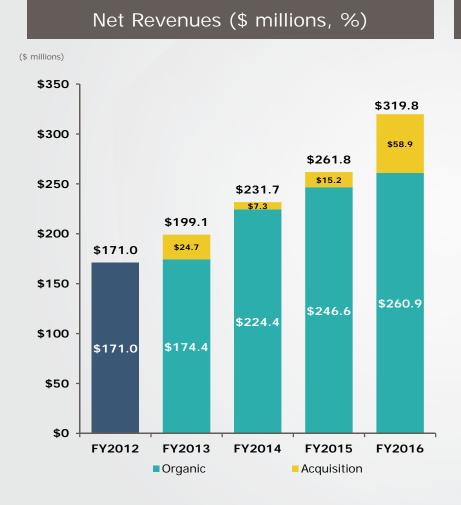

Organic & Acquisition Growth

Highlights

- Acquisitions contributed a combined \$58.9 million of revenue during FY16.
- 22.2% growth in FY16 compared to FY15
 - Organic revenue down 0.3%
 - Acquisitions grew revenue 22.5%
- Organic sales were down 0.3% compared to FY15
 - This was due to approximately 40% decrease in energy markets versus the prior year.
 - Excluding energy end markets, organic sales were up approximately 6% versus the prior year.

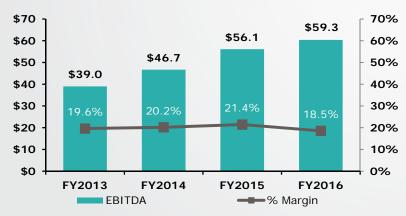

Combined Financials - Margins

Adj.⁽¹⁾ EBITDA (\$ millions, %)

Highlights

- Attractive operating and EBITDA margins with potential improvement from integration of businesses and shared best practices
 - EBITDA margins higher than those of peers, partly due to CSWI's loyal and diverse customer base that recognizes the performance and quality of the products and solutions
 - Disciplined product line acquisition strategy

(1) Adjustments include pension curtailment gain, Strathmore transaction costs, Strathmore earn-out adjustment, Strathmore integration costs, Deacon acquisition costs, Leak Freeze acquisition costs and other expenses related to operating as a standalone company. See Appendix for adjustment details.

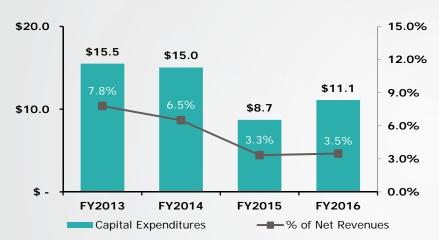

Combined Financials – Capital Investment

Capital Expenditures (\$ millions, %)

Highlights

- Capital expenditures to net revenue ratio averaged 4.4% in the last three years
 - Capital expenditures declined in FY15 primarily due to completion of facility expansion project for Whitmore
 - CAPEX increased in FY16 due to Jet-Lube integration project (\$7M)

Disciplined investment in capital expenditures / Not capital intensive
